GENFITT

HOW WE ARE HANDLING COVID-19

WE ARE OPEN

Following the Government announcement on Thursday, 31st December 2020, Ireland will be moving to Level 5 restrictions until January 31st 2021, at least.

Through this period, Genfitt will

REMAIN OPEN

to serve the needs of the Agri Business Sector.

Through this period we will be operating under difficult circumstances with reduced staff levels and within significant restrictions. We will as always do our utmost to ensure the timely delivery of all orders. We do however ask for your patience and understanding as we work through this difficult period together.

Orders can be placed in the usual way through the sales office, through your sales representative by phone/email or through our website, **www.genfitt.ie/shoplogin**. If you are not registered and would like to order online, please contact the sales office or your sales representative.

We want to express our appreciation to all of our staff who are working hard to serve the needs of farmers, our food industry and our country in these challenging times.

Thank you to all of our customers for your continued support and understanding.
