GENFITT

HOW WE ARE HANDLING COVID-19

WE ARE OPEN

The way we are operating the trade counter and workshop is as follows:

“The Trade Counter at Genfitt is **CLOSED** and will remain so for the foreseeable future during the COVID-19 crisis. The trade counter will operate on a **Call and Collect Service ONLY.**”

Orders can be placed over the phone and payment can only be taken via credit/debit card. Genfitt will contact you once the order has been put together and is ready for collection. Please avail of our excellent and extensive catalogue on **www.genfitt.ie**.”

“The workshop in Genfitt will be closed for the foreseeable future as a result of the COVID-19 crisis. The workshop will operate on a limited basis.
We ask that customers contact our office BEFORE coming to our premises.”

From here, all customers will be contacted by Genfitt to confirm if the job can be completed. Further instructions will be provided by Genfitt from this point.”
